

COLLESI  
EAU DE PARFUM

# EAU DE PARFUM AQUA

## Description

On the border between Italy's Marche and Umbria regions, in the ancient village of Apecchio, Giuseppe Collesi has been overseeing the Italian art of distillation for more than 20 years. Fascinated by stills and aromas since childhood, Collesi loves to experiment and he has become a true alchemist of emotions. Playing with unique essences and pure alcohol from the Collesi Distilleries, he gives life to bright and original compositions: this is how the Collesi Eau De Parfum line was born. Aqua is an extraordinarily fresh fragrance that unleashes the power and beauty of the infinite sea. Its alchemy of contemporary essences evokes its origins, where crystal waters meet the sun-scorched black sands. Energetic and modern,
